- **Dividend of €6.90 per dividend-bearing share proposed**

Vienna, 9 June 2021, 3:49 p.m.

STRABAG SE announces:

The Management Board of STRABAG SE today received a proposal for a resolution pursuant to Article 53 of the Societas Europaea Regulation (SE-VO) in conjunction with Sec 110 of the Austrian Stock Corporation Act (AktG) from the syndicate of core shareholders (79,80 % of the share capital) regarding item 2 of the agenda for the upcoming Annual General Meeting.

In deviation from the proposal for the appropriation of profits made by the Management Board and the Supervisory Board, the new proposal foresees the distribution of a dividend in the amount of € 6.90 per dividend-bearing share for the 2020 financial year. The proposed resolution is justified by the high liquidity of STRABAG SE.

The proposed resolution will be submitted for voting to the Annual General Meeting on 18 June 2021. The balance sheet profit reported for the 2020 financial year allows for a distribution in this amount.

**STRABAG SE** is a European-based technology group for construction services, a leader in innovation and financial strength. Our services span all areas of the construction industry and cover the entire construction value chain. We create added value for our clients by our specialised entities integrating the most diverse services and assuming responsibility for them. We bring together people, materials and machinery at the right place and at the right time in order to realise even complex construction projects – on schedule, of the highest quality and at the best price. The hard work and dedication of our more than 75,000 employees allow us to generate an annual output volume of around € 16 billion. At the same time, a dense network of numerous subsidiaries in many European countries and on other continents is helping to expand our area of operation far beyond the borders of Austria and Germany.
