- **Peter Krammer not available for prolongation of Management Board term**
- **Krammer stepped down from Management Board of STRABAG SE and resigned all other related positions effective 12 June 2022**
- **Alfred Watzl to assume responsibility of South + East segment on interim basis**

Vienna, 13 June 2022 In the course of the talks over the new Management Board period 2023–2026 for the STRABAG SE Management Board, Peter Krammer, responsible for the South + East segment, announced that he would not be available for another term as a member of the Management Board. By mutual agreement, Krammer, who will move to the Management Board of another construction company effective 1 January 2023, stepped down from his position as a member of the STRABAG SE Management Board effective 12 June 2022 and resigned all other positions within the corporate group, for example on the supervisory boards of various subsidiaries.

The segment, which includes Austria as well as the core markets of the Czech Republic, Slovakia and Hungary, will be managed by Alfred Watzl on an interim basis from this date. Watzl joined the STRABAG SE Management Board in 2019 as Management Board member responsible for the North + West segment.

On 1 January 2023, Watzl will hand over this segment to Jörg Rösler and assume official responsibility for the South + East segment. At the same time, the segments are being reorganised: Switzerland will be added to the North + West segment, while Poland will move to South + East segment.

STRABAG SE is a European-based technology partner for construction services, a leader in innovation and financial strength. Our services span all areas of the construction industry and cover the entire construction value chain. We create added value for our clients by our specialised entities integrating the most diverse services and assuming responsibility for them. We bring together people, materials and machinery at the right place and at the right time in order to realise even complex

construction projects – on schedule, of the highest quality and at the best price. The hard work and dedication of our more than 74,000 employees allow us to generate an annual output volume of around € 16 billion. At the same time, a dense network of numerous subsidiaries in many European countries and on other continents is helping to expand our area of operation far beyond the borders of Austria and Germany.
